The Ayre QB-9 digital to analogue converter, in combination with your personal computer, will transform your audio collection in to a new musical experience. Simply store CD's or high resolution downloads on your computer and enjoy the convenience of your entire music collection at your fingertips. You can even use your favourite music playback software to create personal play lists.

The QB-9 features proprietary asynchronous technology to ensure jitter free data transfer of your music files. Advanced opto-isolators provide complete separation of your computer from your audio system, resulting in exceptional sound reproduction.

The Ayre QB-9 brings you closer than ever to your favourite artists, changing the way you listen to music.
